What is the Community Discount Program?

As you may know, PGC maintains the common areas of your community. We have created this Community Discount Program to provide Exclusive Discounts to each homeowner within your community. This special offer is available only to communities where PGC provides Landscape Maintenance Services. Our goal is not only to maintain the common areas, but provide real value to each household within the community.

If you have any questions or suggestions regarding the program, please contact me personally at david@pgc-landscape.com.

Thank you for allowing us to be of service to your community.

David R. Angell
President, PGC
